Mailing template for sharing information about the Postdoctoral Fellowships

Subject: "la Caixa" Foundation Postdoctoral Fellowships programme 2023 is now open

Title: Apply for "la Caixa" Foundation's Postdoctoral Fellowships by 7th October

Bodytext:

The “la Caixa” Foundation is now accepting applications for its annual Postdoctoral Junior Leader Fellowship call, aimed at researchers interested in conducting research projects in Spain or Portugal.

Researchers of any nationality working in the STEM disciplines can apply in the call.

There are two frames within the programme:

- **Incoming:** 25 fellowships for researchers coming to Spain or Portugal from abroad
- **Retaining:** 15 fellowships for researchers residing in Spain or Portugal
